

Stile '900

Un classicismo moderno. Stile funzionale, linee armoniche, gusto aristocratico, un'eco di frivolezza Art Nouveau. In antitesi con la sovrabbondanza decorativa del passato, le uniche decorazioni ammesse sono l'impugnatura ottagonale e l'uso del pomello terminale. *A modern classicism. Functional style, harmonic lines, aristocratic flavour, an echo of Art Nouveau frivolity. In contrast to the decorative excesses of the past, the only ornamentations permitted are the octagonal handgrip and the use of a terminal pomel.*
